

THERMAL CAMERAS

Information on the processing of personal data - Art. 13 EU Reg. 2016/679

In relation to the processing of personal data provided, we inform you that:

1) Data Controller

The Data Controller is Aquatech S.r.l., with registered office in Venice, Santa Maria di Sala, Via delle Industrie no.16, certified email: aquatech@legalmail.it (hereinafter referred to as “the Company” or the “Data Controller”).

2) Type of data processed, purposes and legal basis of Processing

The following personal data are collected and processed: personal data of a common nature (images recorded by the thermal cameras), referring to employees, customers, collaborators, third parties for the purpose of safety in the workplace (prevention of fire risk). Hence, the legal basis of the processing is the Data Controller’s lawful interest.

3) Communication of data to third parties – Data recipients

The Company may communicate the processed data for the above-mentioned purposes to:

i) system administrators and persons in charge of processing the data recorded by the thermal cameras; ii) the company which manages the systems or their maintenance; iii) Police; iv) consultants, in case of disputes; v) Piovan S.p.A..

4) Transfer of data to Third Countries

The processed data are not transferred by the Data Controller to Third Countries. However, in case of transfer to Third Countries, this shall take place in compliance with the regulations applicable from time to time in accordance with article 44 and subsequent of EU Reg. 2016/679.

5) Methods of processing, period of data storage and related criteria

Data will be processed in digital format. The images will be stored for the timing specified in the agreement with the trade union representatives, unless they are stored for the protection of rights or for other legal reasons, in which case they are stored for the period required for the execution of the afore-mentioned purposes and, at the end of these, for a further period prescribed by law for defense in legal proceedings (10 years after the last use and/or event interrupting the prescription).

Società soggetta ad attività di direzione e coordinamento da parte di Piovan S.p.A.

6) Data provision

The provision of data is mandatory and automatic in view of the Data Controller's lawful interest.

7) Rights of the Data Subject, Withdrawal of Consent and Complaints to the Control Authority

The Data Subject has the right at any time to request access to his/her personal data, to request rectification, deletion, limitation of the same, to oppose the processing and to exercise the right to data portability.

In any case, the data subject has the right to withdraw, at any time, any consent given to data processing, without prejudice to the lawfulness of processing based on the consent given before withdrawal.

In case of alleged violation, the data subject - having recourse to the conditions - also has the right to propose a complaint to a Data Supervision Authority in the EU member state where he/she resides habitually or in the EU state where he/she works or where the alleged violation occurred.

8) Automated decision-making and Profiling

Processing is not carried out using automated decision-making (e.g. profiling).

9) Contacts and requests

To know the complete list of external parties to whom the data are communicated, to have information regarding the transfer of data to non-EU countries, the mechanisms and protection of data transfer pursuant to Article 44 and subsequent of GDPR, to exercise the withdrawal of any consent given or to exercise your rights (access, rectification, cancellation, limitation, opposition, portability) please send a request to the following email: privacy@piovan.com, or a communication via fax to: +39 041 5799244.
