### Piovan Group

Piovan Group is a global leader in the development and manufacturing of auxiliary automation systems for the storage, shipping and processing of polymers, bio-resins, recycled plastic, food fluids and food and non-food powders. Over recent years, the Group has been particularly engaged in developing and producing auxiliary systems to automate production processes for the bio-economies and circular economies for recycling and reusing plastic and for the production of plastics which are naturally compostable, tapping into cross-selling opportunities.
