Piovan

Piovan Group is a global leader in the development and manufacturing of automation systems for the storage, conveying and processing of polymers, bio-resins, recycled plastic, food fluids, food and non-food powders. Over recent years, the Group has been particularly engaged in developing and producing automation systems for production processes for the bio-economies and circular economies for recycling and reusing plastic and for the production of plastics which are naturally compostable, tapping into cross-selling opportunities.
